CS 59000 Application of Deep Learning

Homework 2: Learning Machine Learning

Due on **September 11, 2024**, 11:59pm

The goal of this homework assignment is to help you get familiar with machine learning. Please take two online courses at Kaggle for "Intro to Machine Learning" and "Intermediate Machine Learning":

https://www.kaggle.com/learn/intro-to-machine-learning

https://www.kaggle.com/learn/intermediate-machine-learning

Please look at tutorials and then work on exercises in these two courses, and get and download the certificates. The certificates look like

Please create "**hw2**" folder in the root of your private repository "CS59000_App_Deep_Learning_Assignments" at GitHub and then upload your course certificates to be under "hw2" folder at GitHub.

Grading rubric:

- Kaggle "Intro to Machine Learning" Certificate: – 50pt
- Kaggle "Intermediate Machine Learning" Certificate: – 50pt

Total: 100pt
